

App Development Competition
 Sponsored by Koko Head Elementary School
 Judged by Kaiser High School's Computer Science Club
 An "Engage & Innovate" Series Event
Saturday, March 16, 2019 at 1:00-5:00PM
Koko Head School Cafeteria

Dear Grade 2-5 Parents/Guardians,

We would like to invite your child to participate in our first ever App Development Competition. Students will have a couple of hours to develop a prototype of an app and then pitch their idea to a panel of judges from Kaiser High School's Computer Science Club in front of their families. Students will be judged on their prototype and their presentation.

Prizes

- Amazon gift cards and other prizes awarded to winning students.

Eligibility Requirements

- Open to Koko Head Elementary School Students in grades 2-5
- Students do not need to be in the afterschool Coding Club, but should learn some basics of the Scratch Programming language (<https://scratch.mit.edu>) prior to the event.
- A willingness to embrace a growth mindset!

Tentative Agenda for the Day

Time	Event
1:00-4:00PM	<u>Sign-in and drop off your child</u> at the Cafeteria. Students and will be supervised as they work on their projects. The specific challenge will be released to students at this time. This portion of the event is <u>closed</u> to parents and families.
4:00-5:00PM	Students Present to Judges & Awards Ceremony – This portion of the event is <u>open</u> to parents and families.

Online Registration

Go to our school website, kokoheadscool.org to register, **deadline to register is by Monday, March 4, 2019**. Hardcopy registration confirmations will be sent home with students by March 7, 2019. Any questions? Contact our PCNC, Ms. Stacey Lui via email at kokohead.pcnc@gmail.com.
