SUBJECT: i-Ready Online Labs During Spring Break

Dear Grade 2-5 Parents/Guardians,

During the spring break we are offering a few days of i-Ready computer labs for students in grades 2-5 to work on supplemental reading and math lessons.

The dates for the i-Ready labs are:

- **Tuesday, March 19th @9:00AM-11:00AM**
- **Wednesday, March 20th @9:00AM-11:00AM**
- **Friday, March 22nd @9:00AM-11:00AM**

Location: Computer Lab 1 (Second Floor of Admin Building)

Parents may register their child for one, two, or three sessions, however, due to limited capacity, priority registration will go to students who are currently enrolled in our afterschool i-Ready intervention program. Registration is not first come, first served for this program and registration does not guarantee that your child will be granted admission into one or more sessions.

Registration instructions:

Go to our school website kokoheadschoool.org to sign-up for one or more dates. **Registration closes on Monday, March 4th**. Seating is limited, so you will be notified by hardcopy via Take Home Thursday on Thursday, March 7th, whether your child was admitted to any of the sessions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeffrey Shitaoka".

Jeffrey Shitaoka
Principal
